

The Amelia Island Genealogical Society will hold its regular monthly Meeting on the third Tuesday of the month, 19 March 2024 in the community room of the Fernandina Branch Library.

Memories to Treasure Forever

Our speaker for the evening will be Kristi Dorney, Customer Experience Librarian Special Collections and Genealogy at the Jacksonville Public Library. She will speak about the Jacksonville Public Library's Memory Lab.

The Memory Lab is available to library card holders to help get those boxes of old photographs, home movies on VHS or film, mixed tapes on cassette or favorite records into digital format. We look forward to having you join us for a very informative meeting.
